

Adopt-A-Park

Community
Beautification Program

■ About Adopt-A-Park

To enhance the quality of our parks, the Feather River Recreation and Park District encourages the community to assist with the maintenance and beautification of our parks by facilitating the enhancement of park/playground amenities and providing general upkeep and repair of equipment, recreation facilities, and trails through an “Adopt-a-Park” program.

The Adopt-A-Park Program allows individuals or groups to assume the responsibility for one or more eligible activities at their adopted park.

The benefits of this program include:

- Enhancement of the environment
- Beautification of parks, trails, and green spaces
- Greater public education and awareness of parks, recreation, and community services
- Community and/or corporate support of park-related capital improvements

■ Who is Eligible to Adopt?

Individuals, businesses based or operating within District boundaries, non-profit groups, schools, government entities, or faith-based groups, are eligible to participate in the Adopt-A-Park program.

The organization must be free from discrimination based on race, color, creed, nationality, sex, marital status, disability, religion, or political affiliation. Organizations that create a conflict of interest for the District will not be eligible to participate in the Adopt-a-Park program.

■ Procedure for Adopting

A representative of an interested group or an individual should contact the Feather River Recreation and Park District at (530) 533-2011 and request an Adopt-a-Park application or apply online at www.frrpd.com/volunteer.

The Adopter must complete the Adopt-a-Park application and return it to the District. When possible, the Adopter should identify two alternate parks in case their first choice is not available. Once the application has been approved, a District representative will contact the applicant to finalize the adoption.

Completion of Park Adoption

After the Adopter has performed the necessary activities, the District will, at the end of the adoption term, present the Adopter with a certificate of recognition for the work completed, if one is desired.

Potential Adopt-A-Park Activities

Activities which enhance the quality of the District's parks and trails may be eligible to be included in the Adopt-A-Park program. Some examples include:

- Reporting of suspicious or illegal activity at park site
- Acting as "ambassadors" of specific recreation programs
- Purchasing items, supplies, or landscaping and landscape maintenance (e.g., benches, tree planting, etc.)
- Facility and equipment upkeep and maintenance
- Other improvements as suggested and approved by District staff.

Types of Potential Projects

The program is divided into three broad participation tiers:

02

Tier 2: Beautification

Program Requirements

The Feather River Recreation and Park District will work with the adopting group ("Adopter") to determine the specific park to be adopted and eligible activities or donations. The focus of the program is park maintenance, beautification, and improvement.

All projects must be pre-approved by the Parks Department prior to any work being undertaken. This approval process includes donations of items, supplies, and labor. If the approved project includes planting, all plant species must be approved by the Parks Department.

The Adopter will sign an indemnify and hold harmless agreement, which is part of the Application to Adopt-A-Park.

The term of the Park Adoption will be January-December of each year, unless otherwise agreed. Adopters must request a renewal extension by December 1st of each year for the following year.

If in the sole judgment of the Department, it is found that the Adopter is not meeting the terms and conditions of the agreement, the Department may terminate the agreement and remove Park Adoption signs.
