& sensory integration gymnastics class

County funding programs accepted.

Our pre-school program is for ages 2 ½ to 4 years old. It is designed to help children develop physically, emotionally, socially, and intellectually. Your child will be provided with opportunities to develop their whole personalities through hands-on activities, social interaction, movement, and stimulating experiences. These activities

encourage them to appropriately express emotions and to think through and analyze problems. Our activities are fun and engaging to encourage creativity.
