In the fall of 2020, the Oroville Botanic Gardens & Education Center became the proud recipient of a grant that supports projects that combat climate change. OBGEC is partnering with FRRPD to plant 176 trees in community parks and we need your help!

Complete a volunteer interest form to be included in future events.

California ReLeaf's Social Equity Urban Forest Grant Program is funded by a grant from the California Department of Forestry and Fire Protection (CAL FIRE).
