4. Estimated unit prices are based on an approximate average of costs received from advertisement in August 2025.

The following items were not included in this estimate:

1. Cost to relocate existing water mains and facilities.
2. Fees for utility companies (PG&E, AT&T, Comcast, etc.)
3. Removal of existing trees, if required.

## STAFF REPORT

**DATE:** March 19, 2026

**TO:** FRRPD Board of Directors

**FROM:** Brian Wilson, General Manager

**RE:** Authorization to Submit Application(s) for Supplemental Benefits Fund (SBF) – 2026 NOFA

### **SUMMARY**

Staff is requesting Board authorization for the General Manager, or designee, to submit one or more grant applications under the 2026 Supplemental Benefits Fund (SBF) Notice of Funds Available (NOFA) administered by the City of Oroville.

At this time, specific project(s) have not been finalized. Approval of this item will allow staff to evaluate eligibility, refine project scopes, and submit the most competitive application(s) within the NOFA timeline.

### **BACKGROUND**

The Supplemental Benefits Fund (SBF) was established to support projects that enhance recreation, environmental quality, and economic development in the Oroville area, with a nexus to the Feather River.

The City of Oroville has released the 2026 NOFA, opening a competitive funding cycle for eligible public agencies and organizations. Applications must be submitted within strict deadlines and must meet program criteria related to community benefit, project readiness, and alignment with SBF goals.

The Feather River Recreation and Park District has historically pursued grant funding to support capital improvement projects and continues to identify opportunities that align with both District priorities and regional funding programs such as SBF.

### **DISCUSSION**

Staff has identified several potential project concepts that may be considered for SBF funding. These include, but are not limited to:

- Riverbend Dog Park Improvements
- Riverbend Park Picnic Area / Playground Installation
- Riverbend Park – Salmon Run Road Resurfacing
- Riverbend Park – Beach Volleyball / Picnic Area Installation
- Riverbend Park South “Pro” Disc Golf Course and Walking Trails
- Bedrock Skate & Bike Park – Phase 2 Installation

At this stage, staff is continuing to evaluate project eligibility, estimated costs, readiness, feasibility, and alignment with SBF priorities and scoring criteria.

Due to the time-sensitive nature of the NOFA process, staff is requesting advance authorization to submit application(s) once project(s) are finalized.

Staff will bring potential projects forward to the Parks & Facilities Committee for review and prioritization prior to submission.

If funding is awarded, staff will return to the Board with final project scope(s), grant award details, and required agreements.

### **FISCAL IMPACT**

There is no immediate fiscal impact associated with authorization to submit applications.

If awarded, selected project(s) may require matching funds, in-kind contributions, or future budget appropriations. All financial commitments will be brought back to the Board for approval prior to acceptance of grant funding.

### **POTENTIAL FUNDING SOURCES**

- LWCF – Grant Application authorized by Board September, 2025
- Development Impact Fees Fund 2620
- Five Star Bank Account

### **RECCOMENDATIONS**

Staff recommends that the Board of Directors:

1. Adopt Resolution No. 2091-26 authorizing the General Manager, or designee, to submit one or more applications for SBF funding; and
2. Direct staff to schedule a meeting of the Parks & Facilities Committee to review, evaluate, and prioritize potential projects for submission.
